WELCOME TO

New Mt Olive Pentecostal Power Church
"Safe In Church" Services

Greetings in Jesus Name to One and All,

In March we adhered to the directives of our national and local leaders by suspending our ministries, to help "flatten the curve" of the COVID-19 pandemic. With the ever-changing circumstances, we have re-opened our facility to modified Sunday Services and restarting of weekly Prayer and Bible Study services. The modified service schedule and the following building guidelines may be altered as time passes and re-evaluations occur.

- Anyone who has a compromised immune system or who may be experiencing any signs of illness especially with an elevated temperature, are graciously asked to make the choice to postpone your attendance until you are healthy.
- We are having Sunday Worship Services at 11:45 am. The doors will be open shortly before service time.
- Restrooms are available. Please make sure to wash hands and wipe down handles and surfaces you touch, before returning to the sanctuary. Sanitizing cloths provided.
- Sanitizing stations are available at the entrance/exit door (dining room side), greeter's (ushers) station, praise leader/announcement clerk podium and main speaker's podium. Please use them as necessary and refrain from touching unnecessary surfaces.
- Families will be seated together, and children will be under the supervision of parents throughout the duration of their time on the church facility. People who have not been socially distant among themselves, (relatives, close friends, etc.) may be seated together.
